

**【Art@Harbour2024 Promotional Video】Shimmering Night : A Dazzling  
Victoria Harbour**

Presented by Leisure and Cultural Services Department

art@harbour 2024

This is Hong Kong

our vibrant city

Amid the hustle and bustle

we found connection

resonating continuously

through mesmerising journeys

into meaningful dialogue

between emotions and reasons

human existence

relates to the universe

expands the horizon of imaginations

all converge into this shimmering night

where the Harbour awaits to embrace

You

Enchanting the Harbour
